## 二號錄音室音樂沙龍

### Chamber Resonance Studio 2 Music Salon

Last year's 'Chamber Resonance' delivered an unforgettable experience. Within the intimate confines of the music salon, performers and audience alike were immersed in a tapestry of emotions evoked by the music – a journey from the pure joy of childhood to the anguish of a defeated warrior-general and the fear of imminent mortality. Every thought and feeling found expression through the power of music, forging a profound connection between musicians and listeners that was truly priceless.

Our Studio 2 offers a cozy venue accommodating just about 60 individuals. Eschewing the raised stage of traditional concert halls, this intimate space places the performers amidst the audience, allowing attendees to almost physically sense the music coursing through them, sharing the same breath as the musicians.

Expect a diverse array of themes in our upcoming season, including saxophonist Timothy Sun's contemporary discoveries, Hui Ling's journey through the development of Chinese piano music, Kwok Ka-ying's fusion of traditional and modern styles on the yangqin, flautist Sibe Weng's blend of virtuosity and musicality, and pianist Nancy Loo's introspective musings on life. The music salon will be presented at RTHK Studio 2 on the first Saturday evening of each month, from May to September. You are invited to join us in these evenings of intimate and heartfelt musical dialogues. Details of each recital will be announced on Radio 4's website: [radio4.rthk.hk](http://radio4.rthk.hk).

去年的「樂有所思」得到各位表演者和觀眾的熱烈迴響。演奏者和聽眾在每場演出中渾然忘我，進入音樂的各種意境——童年的純真、絕境中霸王的悲壯、甚至是面對死亡的恐懼。演奏者與聽眾心意互通的一刻，正是表演藝術最珍貴之處。亦因為二號錄音室狹小，觀眾圍着表演者而坐，沒有台上台下之分，每個音符就在身邊，幾乎觸手可及。這是在傳統音樂廳難以獲得的體驗。

「樂有所思」第二季節目的音樂家將會展現更多元的深思——薩克管好手孫穎麟的當代探索、許寧的中國鋼琴音樂演變、揚琴演奏家郭嘉瑩的現代與傳統風格、長笛名家翁斯貝的超技與內涵，以及鋼琴家羅乃新的人生思考。各場音樂沙龍會由五月至九月，每月首個週末晚上舉行。希望你來到香港電台二號錄音室，現場感受音樂裡的思緒。門票可在網上登記索取，詳情請留意第四台網頁：[radio4.rthk.hk](http://radio4.rthk.hk)。
